I was unable to attend the your prebriefing for Jon on this last week. Thanks for including me on the review of the briefing, Tom. The title page needs to be revised. It isn't until the fourth page of the slides that "Subpart W" is defined. The title page would read better as "NESHAP Amendments for Operating Uranium Mill Tailings (Subpart W)"

I don't know if Jon will have any further comments. I'll ask him when he arrives this am.
